Inflated Rubber Room - The Climax of Fetish

If you have followed my work, you must know by now that my favorite's latex garments, especially for photo shoots, are catsuits. And black color is certainly a classic on my Lair! I just can't get enough of it! And when I tightly top my beloved catsuit with my 20" corset, my waist feels happily restricted. Bouncing and rolling in my inflatable mattresses set-up, life couldn't be more exciting! As you can see this month's video preview, I was enjoying myself and even got carried away and rubbed with oil my voluptuous 32FF boobies! It's time to play!
